

Among the many services they provide include early childhood education, public policy advocacy, and community outreach.

First 5 Madera County has been a committed partner to many community groups, working toward prevention and early intervention systems that promote optimal health and development for infants and toddlers. Partnerships such as First 5 and Madera County Workforce have been essential in supporting families with young children to ensure access to professional opportunities that will help them further develop their social emotional learning and family support.

In twenty years, First 5 has increased public participation and efforts to bring awareness to issues affecting families and their children. They have focused on the elimination of persistent disparities in the community. Dedicated staff and volunteers have also created educational workshops for underserved families to help them have the tools necessary for success.

In recent years, First 5 Madera County has continued to demonstrate its independent leadership while recognizing the value of establishing meaningful partnerships. They have succeeded in educating the public on the importance of child advocacy, further developing research issues affecting infants and toddlers and promoted health and education for young children.

Mr. Speaker, it is with great pleasure that I ask my colleagues to join me in honoring First 5 Madera County on the occasion of their 20th anniversary. I look forward to the opportunity to continue to work together to further First 5 Madera County's mission. Once again, congratulations on this special milestone.

**IN RECOGNITION OF ROBERTO S.  
JUAREZ AND HIS 40 YEARS OF  
SERVICE TO CLINICAS DEL CAMINO  
REAL, INC.**

**HON. JULIA BROWNLEY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 19, 2018*

Ms. BROWNLEY of California. Mr. Speaker, I rise to recognize Roberto S. Juarez, one of Ventura County's most notable leaders and engaged citizens, on the momentous occasion of celebrating his 40th anniversary as Chief Executive Officer of Clinicas del Camino Real, Inc.

Throughout these four decades, Roberto has been tremendously effective and absolutely indispensable in serving as a voice for those who are underserved by our healthcare system. With Roberto at the helm, Clinicas del Camino Real, Inc. has provided quality, integrated, and comprehensive health care services at 13 locations in Ventura County that are accessible to the least advantaged in our community.

Roberto is a man that came from very humble means. As a son of immigrants from Mexico, he was the first in his family to attend college. He studied business administration, receiving degrees from the University of California, Los Angeles and California Lutheran University. Roberto's tenacity and ability to overcome obstacles played an instrumental role in all of his achievements.

Roberto has not only distinguished himself as a highly regarded citizen in our community, but also as a model and courageous patriot of our nation. From 1966 through 1970, Roberto served in the United States Army's elite Ready Reactionary Force. After serving courageously and with distinction in Vietnam from December 1966 to December 1967, Roberto was awarded the Bronze Star, the Combat Infantry Badge, the Meritorious Service Medal for outstanding admirable achievement, and the Purple Heart. These awards reflect credit upon him and are in the keeping with the highest traditions of the U.S. Army.

Roberto maintained his commitment to community by obtaining a position as an administrator at Ventura County Hospital shortly after being discharged from his military service. Soon thereafter, he assumed the role as Chief Executive Officer of Clinicas del Camino Real, Inc., which, at the time, consisted of only five employees while serving 1,300 patients a year.

Roberto's unparalleled vision, leadership, and desire to bring quality and affordable care to the residents of Ventura County quickly expanded the non-profit to a staff of well over 700 that now serve countless of patients over 370,000 visits a year. Under Roberto's direction, Clinicas not only treats illnesses and injuries, but it also has an emphasis on education and prevention that promotes wellness to help people lead healthier lives. Roberto's holistic approach to health care has been a model for Ventura County and the State of California.

For these reasons, it is with great enthusiasm that I offer Roberto Juarez my heartfelt appreciation for his years of outstanding service to Ventura County. I am so pleased to join his family, friends, and colleagues in celebrating his accomplishments and thank him for his unwavering service to our community throughout the past 40 years. I wish him continued success and only the best in all of his future endeavors.

HONORING THE CAREER OF LILIA  
GONZALES CHAVEZ

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 19, 2018*

Mr. COSTA. Mr. Speaker, I rise today to honor the career achievements of Ms. Lilia Gonzales Chavez. Lilia is being honored by Arte Americas with the Armando Rodriguez Legacy Award, in honor of her dedication and commitment to the preservation of the arts of California's Central Valley. This award is given to a person who has broken barriers in civil rights, education, and/or the promotion of the arts to the broader community and selflessly promoted the advancement of the underrepresented. It is both fitting and appropriate that we honor Lilia today for her years of service to our Valley.

Lilia, a native of Fresno, attended California State University, Fresno and obtained her Bachelor of Arts degree in Child Development and a master's degree in Administrative Leadership from Fresno Pacific University.

In 1987, Lilia co-founded Arte Americas and for nearly ten years served as their director. Arte Americas is currently the Valley's largest non-profit Latino Cultural Center. After her time at Arte Americas, Lilia took on a new challenge. In 2011, she was appointed as the

Executive Director of the Fresno Arts Council. Lilia has also served on the board of the Fresno Art Museum, the board of the Fresno Arts Council and is a key member of the League of Mexican-American Women in Fresno where she serves as Chairperson of the Scholarship Committee.

Lilia has worked as an educator at Fresno City College where she taught child development and psychology. Lilia also worked with the County of Fresno as an Administrative Analyst and Coordinator of the Inter-Agency Council for Children and Families, where she assisted many underserved communities throughout Fresno County.

An achievement that Lilia is most proud of was being appointed by Governor Jerry Brown to serve as a Trustee on the Board for California State Summer School for the Arts, serving on the Dean's Advisory Council for the Department of Arts and Humanities at California State University, Fresno and the California State University Summer Arts Advisory Board.

Mr. Speaker, I ask that my colleagues join me today in honoring Mrs. Lilia Gonzales Chavez for receiving the Armando Rodriguez Legacy Award. Lilia has been an inspiration, not only through her professional achievements, but also through the community leadership throughout the years. I ask that you join me in wishing Lilia and her family continued success and prosperity.
